

# SET FOR LIFE

## TABLE OF CONTENTS

**INTRODUCTION: SET FOR LIFE: AN EARLY CHILDHOOD TEACHER'S GUIDE TO SUPPORTING STRONG EMOTIONAL FOUNDATIONS AND SUCCESSFUL SOCIAL RELATIONSHIPS** .....xix

**CHAPTER 1: WHAT IS SET FOR LIFE?** .....1

What's in It for You and What You Will Learn .....2

Principles of **SET for Life** .....4

    Why These Principles Matter .....4

        Children Need to Have the Right Experiences at the Right Time. . .4

        Challenging Behaviors Are on the Rise. ....6

        Society Continues to Change .....7

        Media Exposure Has Increased .....8

Theoretical and Clinical Roots of **SET for Life** .....9

**CHAPTER 2: BUILD POSITIVE RELATIONSHIPS** .....11

The Importance of Building Positive Relationships .....12

Premises of Interactional Theory .....13

    Erikson's Psychosocial Theory .....16

Getting Started With **SET for Life** in the Classroom .....18

    Teaching Strategies to Support Building Positive Relationships .....18

        Implement SET Time. ....18

    Addressing Potential Issues with SET Time .....21

        Children Will Get What They Need — One Way or Another. . . .21

        Fair Is Not Equal. ....23

        When Time Isn't Enough .....24

        Using SET Time to Support Social and Emotional Growth. . . . .26

**SET for Life** and You .....28

    Be Aware of Your Own Emotional Health .....28

    More Teaching Strategies to Support Building Positive Relationships. . .31

.....

Give Children Your Time .....	31
Build in Down Time .....	33
Incorporate Observation Time into	
Your Teaching Routine .....	34
Create Time to Focus on the Same Things .....	35
Help Children Differentiate Between Things They Can	
Control and Things They Cannot .....	36
Set Appropriate Limits and Apply Them Consistently .....	39
Help Children “Feel Felt” .....	39
Allow Security Items .....	40
<b>Summary: Teaching Strategies to Support Building</b>	
Positive Relationships .....	42
<b>CHAPTER 3: BECOME A GOOD OBSERVER .....</b>	<b>47</b>
Why Your Childhood Experiences Matter .....	49
The Power of Observation .....	50
Observation Techniques .....	52
Anecdotal Notes .....	52
Checklists .....	53
Rating Scales .....	54
Frequency Charts .....	55
Teaching Strategies to Help You Become a Good Observer .....	56
Invest in Regular Observation of Children While They Play .....	56
Observe to Document Strengths .....	58
Discuss Your Observations with Others .....	59
Talk to Children About What You Observe .....	60
The Impact of Temperament .....	61
Temperament Traits .....	61
Temperament Types .....	62
The Flexible Child .....	63
The Fearful (Or Cautious) Child .....	64
The Feisty Child .....	65
Temperament Stability .....	67
Teaching Strategies to Address Children’s Individual Temperaments .....	69

.....

Assess Children’s Temperament . . . . .	69
Plan For Temperamental Differences. . . . .	70
<b>Summary:</b> Teaching Strategies to Become a Good Observer. . . . .	72

**CHAPTER 4: MAKE HEALTHY EMOTIONAL CONNECTIONS . . . . . 75**

What Is Attachment? . . . . .	76
Attachment Networks. . . . .	76
Understanding Primary Attachment . . . . .	77
The Stages of Attachment . . . . .	78
Types of Primary Attachment. . . . .	80
Understanding Secondary Attachment . . . . .	82
Why the Quality of Attachment Matters . . . . .	83
Teaching Strategies to Support Attachment . . . . .	83
Spend Energy, Effort, and Time Building Positive Relationships with Children. . . . .	84
Respond Promptly To Distress . . . . .	85
Let Families Teach You About Their Children . . . . .	88
Give Children and Families Time to Settle In . . . . .	89
Match Each Child to One Caregiver/Teacher . . . . .	92
Be Available Over Time. . . . .	94
<b>Summary:</b> Teaching Strategies to Support Attachment . . . . .	97

**CHAPTER 5: UNDERSTAND EMOTIONAL DEVELOPMENT . . . . . 99**

Understanding Emotional Development. . . . .	100
Greenspan’s Theory of Emotional Development . . . . .	100
Intelligence and Emotions are Connected . . . . .	102
Emotional Expression. . . . .	104
How Children Learn About Emotions. . . . .	104
Teaching Strategies To Support Emotional Development and Expression . . . . .	105
Make Your Feelings Obvious for Children to See . . . . .	105
Don’t Try to “Fix” Children’s Feelings — Acknowledge Them Instead . . . . .	106
Label Feelings for Children . . . . .	108

.....

Teach Children to Name Their Feelings .....	109
Use Emotional Language in the Classroom .....	110
Model Appropriate Responses .....	112
Help Children Connect Emotions with Appropriate Behavior .....	112
Understand Emotional Self-Regulation .....	114
What Is Self-Regulation? .....	114
Why Young Children Need Adult Support to Learn Self-Regulation ...	114
Why Self-Regulation Matters .....	117
Teaching Strategies to Support Self-Regulation .....	118
Offer Choices Among Acceptable Alternatives .....	118
Expect and Accept Protest, Resistance, and Meltdowns .....	120
Use Books To Help Children Deal with Life Events and Stressors ..	121
<b>Summary:</b> Teaching Strategies to Support Emotional Development, Expression, and Self-Regulation .....	122

## **CHAPTER 6: UNDERSTAND SOCIAL DEVELOPMENT ..... 127**

Vygotsky’s Socio-Cultural Theory .....	128
Imitation and Modeling .....	130
The Role of Facilitative Teacher .....	131
Teaching Strategies to Support Social Development .....	133
Encourage Positive Modeling .....	133
Help Children Learn Social Problem-Solving Skills .....	135
Step 1: Calling for Help .....	135
Step 2: Trading .....	136
Step 3: Taking Turns .....	137
Step 4: Sharing Resources .....	138
Step 5: Making Plans .....	138
Help Children Learn to Reflect .....	140
How Friendships Develop .....	143
Teaching Strategies to Support Social Development .....	145
Teach Children to Use Names .....	145
Become an Ally with Children to Figure Things Out .....	146
Help Children Communicate with Each Other .....	147

.....  
**Summary:** Teaching Strategies to Support Social Development . . . . . 149

**CHAPTER 7: THE IMPORTANCE OF PLAY..... 153**

The Importance of Play. . . . . 154

The Relationship Between Play and Social Development . . . . . 155

    Piaget and Play . . . . . 156

    Parten and Play . . . . . 157

    Vygotsky and Play. . . . . 158

Teaching Strategies to Support Play . . . . . 159

    Schedule Child-Directed Play. . . . . 159

    Play with Children . . . . . 160

    Jointly Attend . . . . . 161

    Encourage and Engage in Conversation with Children . . . . . 162

    Provide Invitations to Play. . . . . 163

    Extend and Expand Children’s Play Ideas. . . . . 164

More Teaching Strategies to Support Play . . . . . 165

    Use Conflict as an Opportunity to Teach . . . . . 166

    Help Children Stop Doing Things that Don’t Work. . . . . 167

    Address Negative Social Behaviors. . . . . 169

        Whining. . . . . 170

        Name-Calling . . . . . 171

        Threatening. . . . . 171

        Lying. . . . . 173

        Teasing and Bullying . . . . . 175

**Summary:** Teaching Strategies to Support Play . . . . . 179

**CHAPTER 8: UNDERSTAND HOW CHILDREN DEVELOP AND LEARN ..... 183**

Development and Learning . . . . . 184

    Developmental Theory. . . . . 185

    Principles of Developmental Theory . . . . . 186

Teaching Strategies to Support Development and Learning. . . . . 191

    Understand and Embrace Individual Differences . . . . . 191

    Provide Multi-Sensory Experiences . . . . . 193

.....

Match Teaching and Curriculum to Children’s Developmental Stage.....	194
Expect and Accommodate Regression.....	196
Ritualize Routines.....	198
Prepare for Transitions and Change.....	199
Make Expectations Clear.....	200
Help Children Comply When They Can’t Do It Alone.....	201
Use Books to Prepare Children For Developmental Experiences...	203
<b>Summary: Teaching Strategies to Support Development and Learning.....</b>	<b>205</b>

**CHAPTER 9: UNDERSTAND LANGUAGE DEVELOPMENT  
AND COMMUNICATION.....207**

Receptive, Expressive, and Pragmatic Language.....	211
Using SET for Life Language.....	212
Teaching Strategies to Support Children’s Language Development and Communication.....	215
Engage in Conversation with Children.....	215
Encourage Eye Contact.....	216
Use Language Stimulation Techniques.....	218
Description.....	218
Parallel Talk.....	218
Self-Talk.....	219
Expansion.....	220
Help Children Build Vocabulary.....	220
Read Nonverbal Cues and Carefully Interpret Verbal Cues.....	221
Talk About What Will Happen Next.....	223
Teach Children How to Use Language to Get Their Needs Met....	224
Help Children Use Language to Deal Directly with Each Other....	225
Limit Unrelated Conversations and Extended Negotiation.....	226
Assess Children’s Language Development.....	228
Be Aware of Family Culture and Home Language.....	229

.....

Support Second Language Acquisition .....	230
<b>Summary: Teaching Strategies to Support Children’s Language</b>	
Development and Communication .....	233

**CHAPTER 10: CREATE A CLASSROOM WITH A SUPPORTIVE ENVIRONMENT .....237**

How the Environment Contributes to Social-Emotional	
Development .....	238
Maslow’s Hierarchy of Needs .....	239
The Fundamentals of Classroom Environment .....	240
Art Area .....	241
Sensory Area .....	242
Dramatic Play Area .....	243
Science Discovery Area .....	244
Literacy/Writing Area .....	244
Blocks/Construction Area.....	245
Math/Manipulative Area .....	245
Teaching Strategies for Creating a Classroom with a	
Supportive Environment .....	246
Stay Close.....	246
Pay Close Attention to Staffing and Grouping .....	246
Create a Sense of Calm and Belonging .....	247
Establish a Predictable Environment.....	247
Maintain and Manage Predictable Schedules .....	248
Create Ways to Decrease and Increase Stimulation.....	248
Offer Places to Regain Composure.....	249
Create Places to Be Alone, with the Teacher, and with Friends.....	250
Clearly Define Spaces and Maintain Order.....	251
Make Toys and Materials Accessible to Children.....	251
<b>Summary: Teaching Strategies for Creating a Classroom with a</b>	
Supportive Environment .....	252

.....

**CHAPTER 11: MANAGE NORMAL AND CHALLENGING BEHAVIORS ..... 255**

More About Self-Regulation and Self-Control ..... 256

Learning to Control Impulses..... 257

Tolerating Frustration ..... 258

Delaying Gratification ..... 259

Making and Implementing Plans ..... 259

Teaching Strategies to Support Self-Regulation and Self-Control..... 259

Use Physical Proximity and Touch..... 259

Help Children Notice When They Are

Beginning to Lose Control ..... 260

Scaffold Emerging Control ..... 262

Validate Children’s Feelings of Frustration ..... 263

Help Children Build Skills to Tolerate Frustration ..... 264

Teaching Strategies to Help Children Learn to Delay Gratification..... 265

Name What Is Going On..... 265

Plan Curriculum Activities to Teach Children How to Wait ..... 265

Support Waiting ..... 266

Teaching Strategies to Help Children Make and Implement Plans ..... 267

Suggest Plan-Making as a Solution to Conflict ..... 267

Use a Plan Board to Document Plans ..... 269

Manage Anger and Aggression ..... 269

Types of Aggression ..... 270

Accidental Aggression..... 270

Instrumental Aggression..... 270

Hostile Aggression..... 271

How Aggression Develops..... 271

Teaching Strategies to Help Children Manage

Anger and Aggression ..... 274

.....

Don't Ask Children to Apologize When They Are Not Really Sorry .....	274
Acknowledge, Communicate, Target (ACT) .....	275
Use Prevention Whenever Possible .....	276
Use Reflection When Prevention Fails .....	277
Direct Children Towards Natural Consequences.....	277
Help Children Think of Alternative Solutions and Make Amends.....	278
<b>Summary:</b> Teaching Strategies to Manage Normal and Challenging Behavior.....	279
 <b>CHAPTER 12: PARTNER WITH FAMILIES .....</b>	<b>285</b>
Why Partnering with Families Is Important .....	286
Ecological Systems Theory of Human Development.....	288
Family Systems Theory.....	291
What Good Family Partnerships Look Like .....	293
Teaching Strategies for Partnering with Families .....	293
Create Environments That Welcome Families .....	293
Develop Two-Way, Open Communication.....	295
Help Families Establish Arrival and Departure Routines.....	298
Problem-Solve with Families.....	299
Explain What You Are Doing When You Model <b>SET for Life</b> Teaching Strategies and Use <b>SET for Life</b> Language.....	302
Share Resources.....	303
Help Families Plan and Implement Predictable Schedules at Home.....	304
Questions to Ask to Explore Schedule Predictability .....	304
<b>Summary:</b> Teaching Strategies for Partnering with Families.....	305

.....

<b>APPENDICES.....</b>	<b>307</b>
Appendix A: Family Diamond .....	308
Appendix B: SET for Life Anecdotal Notes.....	310
Appendix C: Temperament Assessment.....	311
Appendix D: Sample Transition Schedules .....	312
Appendix E: Places to Find Good Children’s Books.....	313
Appendix F: Sample Preschool/ Pre-K Block Schedule.....	314
Appendix G: SET for Life – Helpful Words and Phrases .....	315
Appendix H: Preschool/Pre-K Communication Log.....	317
